

INNOVATIVE Market Place

A competition for all students who have innovative ideas

25 JULY 2018

Join Now

Open to all students

2-4
team members

We are looking for creative ideas that can provide innovative solutions to the global issues by using green and clean technology, but are not yet commercialized.

Themes

Your idea should fall under one or more of the following areas:

Waste management, reduction or recycling

Safer built environment

Climate change

Smart cities

Process

- **Step 1:** Form a group of 3-5 students with same idea
- **Step 2:** Apply/ register online from **1-15 July 2018**
- **Step 3:** Get ready for the live pitch on **25 July 2018**
[10-min presentation + 5-min Q&A]

Prizes

Join the innovative market place and network with like-minded innovators, field experts, and mentors to broaden your perspective and pitch your idea to see them transform into actual products, services or businesses.
